## First Floor

Living Room The Living Room has a television with a DVD player and surround-sound, a couple chairs, a couch and French doors leading outside to the brick patio.

Family Room The Family Room has a couch with a queen size sleeper, chair, a television, VCR, and Stereo with CD/Radio. French doors lead outside to the brick patio. There is a full bathroom off the Family Room.

Dining Room The Dining Room has a family sized table and chairs. This room opens to the living room/kitchen.

### Kitchen

The Kitchen has a writing desk, counter seating, and the following appliances: refrigerator, freezer, oven, stove, microwave, coffee maker, toaster, dishwasher.

### Bedroom 4

Bedroom Four is on the first floor, located past the Family Room. It has a queen sized bed, dresser with mirror, and a counter with a sink.

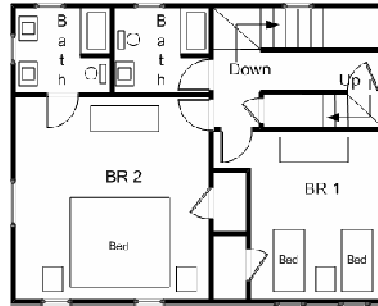

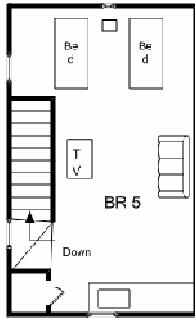

### Brick Patio

French doors open to a brick patio from both the Family and Living Room. The patio has a gas grill and patio furniture. It's in a private side yard with a Privet hedge and an outdoor shower (for after beach use).

Feel free to water the roses if they look thirsty.

## Second Floor

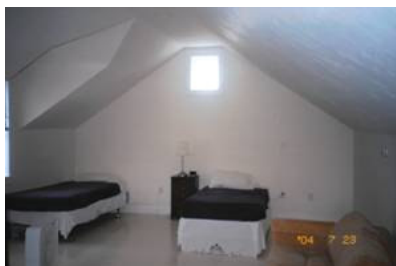

Bedroom 1 Located above the living and dining room is Bedroom One with two twin beds, a dresser, mirror, and bathroom across the hall.

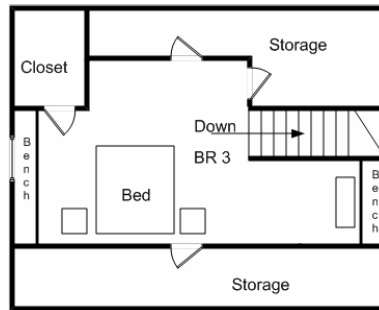

Bedroom 2 There is a master suite with a queen-size bed, a dresser, and a full bath attached.

Bedroom 5 The second floor over the back of the house has a separate stairway, and a large bedroom (15'x25') with two twin beds, a pull out couch, its own sink and a TV/VCR.

## Third Floor

Bedroom 3 Bedroom Three covers the entire third floor above Bedroom One and Two. It has a queen size bed, dresser, and great views of the conservation land and the surrounding neighborhood.
